iv. RELIEFS SOUGHT

## DISPENSATION OF MEETING OF EQUITY SHAREHOLDERS OF TRANSFEROR COMPANY

18. As far as the Equity Shareholders of the Transferor Company are concerned, hereto annexed and marked as Exhibit ' $G$ ' is the list of Equity Shareholders of the Transferor Company as on date. Annexed herewith and marked as Exhibit 'H1 and H2' are the consent affidavits from all the Equity Shareholders of the Transferor Company. The Chartered Accountants, BSR \& Co. LLP has given a certificate dated $24^{\text {h }}$ Joly, 2020, certifying the list of Equity Shareholders in the

Transferor Company, which is annexed as Exhibit 'I'. It is submitted that in view of the affidavit given by all the equity shareholders of the Transferor Company, meeting of the equity shareholder of the Transferor Company would be an empty formality and require unnecessary expenses. Therefore, the Transferor Company seeks for direction from this Hon'ble Tribunal to dispense with holding of meeting of the Equity Shareholders.

## DISPENSATION OF MEETING OF SECURED CREDITORS OF TRANSFEROR COMPANY

19. As on date, there are no Secured Creditors in the Transferor Company. Hence, the question of convening and holding of the meeting of Secured Creditors does not arise.

## DISPENSATION OF MEETING OF UNSECURED CREDITORS OF TRANSFEROR COMPANY

Therefore, the Transferor Company seeks for direction from this Hon'ble Tribunal to dispense with holding of meeting of the Unsecured Creditors.

## DISPENSATION OF MEETING OF EOUITY SHAREHOLDERS, UNSECURED CREDITORS AND SECURED CREDITORS OF TRANSFEREE COMPANY

21. The Transferee Company has filed the application seeking dispensation of meeting of Equity Shareholders, Unsecured Creditors and Secured Creditors in view of the fact that the Transferor Company is a wholly owned subsidiary of the Transferee Company. Thus, the entire economic interest of the Transferor Company is held by the Transferee Company. Since it is amalgamation of wholly owned subsidiary into holding company, after the Scheme being sanctioned, no new shares would be issued or allotted as consideration pursuant to amalgamation to the members of the Transferor Company by the Transferee Company. Further, the Scheme does not affect the rights and interests of the members or the Secured/Unsecured Creditors of the Transferee Company and does not involve any re-organisation of the share capital of Transferee Company. Also, the Scheme will not result in dilution of shareholding of the Transferee Company. Accordingly, the Scheme does not affect the rights and interests of the members of the Transferee Company.

Pursuant to the Scheme, all assets and liabilities of the Transferor Company would be transferred to the Transferee Company. Further, the Secured/Unsecured Creditors of the Transferee Company are also not likely to be affected by the approval of the Scheme. The rights of the Secured/Unsecured creditors of the Transferee Company is not affected

since there will be no reduction in their claims and the assets of the Transferee Company, post amalgamation, will be more than sufficient to discharge their claims. Annexed herewith and marked as Exhibit 'L' \& Exhibit ' M ' is the list of Unsecured Creditors and Secured Creditors of Transferee Company as on March 31, 2020. The Net-worth of the Transferee Company is significantly positive and there would not be any real or substantial adverse impact on the financial statements, post amalgamation of the Transferor Company. Annexed herewith and marked as Exhibit ' $\mathbf{N}$ ' ' is the Net-worth certificate of Transferee Company,

It is respectfully submitted that the Hon'ble High Court of Judicature at Bombay in the case of Mahaamba Investments Limited V/s. IDI Limited (2001) 105 Company Cases page 16 to 18 inter alia observed and held that if the Scheme of Amalgamation provides for no issue of equity shares to the members of the Transferor Company, being a wholly owned subsidiary of the Transferee Company and the creditors of the Transferee Company, are not likely to be affected by the Scheme, a separate Petition by the Transferee Company was not necessary. Further, the Hon'ble High Court of Bombay in an unreported judgement of Bon Limited dated March 12, 2010 in Company Scheme Petition No. 123 of 2010, reiterated that a separate petition by the Transferee Company would not be necessary, if the Scheme, by way of transfer of undertaking, does not (a) involve the re-organisation of the capital of the Transferee Company; and (b) affect the rights of the members or creditors of the Transferee Company, as between thernselves and the Company. The said observations are squarely applicable to the proposed Scheme wherein the Transferor Company is merged into the Transferee Company and the Transferor Company is a wholly owned subsidiary of the Transferee Company. Similar view has also been taken by the Delhi

High Court in the case of Sharat Hardware Industries P. Ltd., in re (1978) 48 Com Gas 23, Hon'ble High Court of Madras in the case of Santhanalakshmi Investments (P) Ltd., In re (2005) 129 Company Cases page 789 to 792 and the Hon'ble High Court of Andhra Pradesh in the case of Nebula Motors Ltd., In re 45 SCL 143. This Hon'ble Tribunal in CSA No 243 of 2017 in the matter of Housing Development Finance Corporation Limited, in CSA No. 915 of 2017 in the matter of Godrej Consumer Products Limited, in CSA No. 899 of 2017 in case of Mahindra CIE Automotive Limited, in CSA No. 1019 of 2017 in case of Godrej Properties Limited, in CSA No. 1615 of 2018 in case of Dolvi Minerals and Metals Private Limited, in CSA No. 396 of 2019 in case of JSW Logistics Infrastructure Private Limited, in CSA No. 3123 of 2019 in case of Tai Realty Ventures Limited and in CSA No. of 3749 of 2019 in case of Datamatics Digital Limited have taken similar view.

The Applicant Companies respectfully submits that under the present Scheme:
(a) Being a merger of wholly owned subsidiary company into its holding company, no shares would be issued or allotted as consideration pursuant to the merger. Accordingly, the rights of members of the Transferee Company is not affected since there will be no issue of shares pursuant to the Scheme and there would be absolutely no change in the share capital of the Transferee Company. Also, the present Scheme will not result in any dilution in shareholding of the Transferee Company.
(b) The rights of the Secured/Unsecured Creditors of the Transferee Company are not affected since there will be no reduction in their

claims and the assets of the Transferee Company, post amalgamation, will be more than sufficient to discharge their claims. Also, the net worth of the Transferee Company is and will continue to remain highly positive post-merger;
(c) the existence of the Transferee Company will remain as before without any change either to its shareholding pattern or debt position pursuant to the Scheme;
(d) no undertaking of the Applicant Companies is being parted away or being disposed off and hence provisions of Section 180 of the Companies Act, 2013 are also not applicable.

In view of the averments made above and the Order dated $4^{\text {th }}$ September, 2017 passed by the Hon'ble Mumbai Bench of the National Company Law Tribunal ('NCLT') in the matter of Housing Development Finance Corporation Ltd (Company Scheme Application No. 243 of 2017), order dated $5^{\text {th }}$ October, 2017 in the matter of Godrej Consumer Products Limited (Company Scheme Application No. 915 of 2017), order dated $12^{\text {th }}$ October, 2017 in the matter of Mahindra CIE Automotive Limited (Company Scheme Application No. 899 of 2017), in the matter of Godrej Properties Limited order dated $11^{\text {th }}$ April, 2018 (Company Scheme Application No. 1019 of 2017), in the matter of Dolvi Minerals and Metals Private Limited order dated 3 ${ }^{\text {nd }}$ January, 2019 (Company Scheme Application No. 1615 of 2018), in the matter of JSW Logistics Infrastructure Private Limited order dated $8^{\text {th }}$ March, 2019, in the matter of Jai Realty Ventures Limited dated 30 ${ }^{\text {th }}$ September 2019 (Company Scheme Application No. 3123 of 2019) and in the matter of Datamatics Digital Limited dated $20^{\text {th }}$ February 2020 (Company Scheme Application No. 3749 of 2019) allowing the transferee company

in the respective cases for not holding the Meeting of the Shareholders and Creditors, the Transferee Company in the present case respectfully submits and prays to the Hon'ble NCLT to give the directions that the Transferee Company need not hold Meeting of its Shareholders and Secured/Unsecured Creditors for seeking approval to the Scheme.
22. Passing such other and further orders as are deemed necessary in the facts and circumstances of the case.

## Auditors' Responsihality (Conninued)

Our sucht involves performing procedures to obtain audit evidence about she adcruacy of the intorual financial conatrols with reference to standalone financial statements and their operatige effectiveness. Our uudit of intecnal finnaciat controls with rufarence to standalone financial statements included obtaining an understanding of such intermul financial controls, assessing the risk that a materiat weakness exists, and testing and evaluating thio design and operating effectiveners of intemal control based on che assessed risl. The procodures selected depend on the auditors" jodgement, including the assesament of the risks of materisl misstatement of the staudalone financial statements, whether due to froud or trros.

We believe that the andit evidence we have obtained and the madit evidence obtained by the branch iuditors in terms of their report referred to in the Other Matter paragraplt below is sumficient and appropriate to provide a besis for our audit opinion on tho Company's internal finaucial controls with refereace to strudalone financiul statements.

## Meuning of Interual Finsuciat Controls with reforence to Standalone Financial Statements

A company's internal finsuctal controls with reference to financial statements is a process designed to provide remsonable assurnce regarding the relinhility of furancial reporting and the preparation of financial statements for external puiposes in accordance with generally accepted accounting principies. A company's internal financial controls with reference to financial atatements include those policies and procedires that (1) pertain to the muintenances of records bast, in reasonable detail, accurately and fiirly reflect fibe transsctions and dispositions of the assets of the conpuny; (2) provide reascmable assuramce that transactions are recorded as neeessary to permit preparation of ©inancial statements in accorduace with gentarntly mecepted accounting principles, and that receipts and expenditures of the company are being made only in nccordance with authorisations of managemeut and directors of the company; and (3) provide reasonable assuremoe regarding prevention or timely detection of miautharised acquisition, use, or disposition of the oompany's assets that could have a material effect on the financial statements.

## Inherent Limitations of Internal Flameinl Controls wifh reference to Standslone Financial Seatements Statements

Because of the inherent timitations of internal finmucial coratrols with reference to standalone financial statemeats, iocluding the possibility of collusion or fimproper management override of controls, material misstatements due to error or fraud may occar and not be detected. Also, projections of any evaluation of the internal financial countrols with reference to standalene financial statements to funure periods are subject to the risk thar the internal finuncial controls with raference to itatidalone finhacial statememts may become inadequate bechuse of changes in conditions, gy that the degree of compliance with the polieles or procediares may deteriorate.

The Authorised Representative for the Applicant Companies submits that, in view of the above, no reconstruction or arrangement is proposed by the Second Applicant Company either with its shareholders or with its Secured/Unsecured creditors, and thus, it does not require to hold either shareholders meeting or Secured/Unsecured creditors meeting for approval of the proposed Scheme, in view of the ratio laid down by the Hon'ble High Court of Judicature at Bombay in the case of Mahaamba Investments Limited V/s. IDI Limited (2001) 105 Company Cases page 16 to 18 inter alia observed and held that if the Scheme of Amalgamation provides for no issue of equity shares to the members of the Transferor Company, being a wholly owned subsidiary of the Transferee Company and the creditors of the Transferee Company, are not likely to be affected by the Scheme, a separate Petition by the Transferee Company was not necessary. Further, the Hon'ble High Court of Bombay in an unreported judgement of Bon Limited dated March 12, 2010 in Company Scheme Petition No. 123 of 2010, reiterated that a separate petition by the Transferee Company would not be necessary, if the Scheme, by way of transfer of undertaking, does not (a) involve the re-organisation of the capital of the Transferee Company; and (b) affect the rights of the members or creditors of the Transferee Company, as between themselves and the Company. The said observations are squarely applicable to the proposed Scheme wherein the Transferor Company is merged into the Transferee Company and the Transferor Company is a wholly owned subsidiary of the Transferee Company. Similar view has also been taken by the Delhi High Court in the case of Sharat Hardware Industries P. Ltd., in re (1978) 48 Com Cas 23, Hon'ble High Court of Madras in the case of Santhanalakshmi Investments (P) Ltd., In re (2005) 129 Company Cases page 789 to 792 and the Hon'ble High Court of Andhra Pradesh in the case of Nebula Motors Ltd., In re 45 SCL 143.
