24. MANAGEMENT DISCUSSION AND ANALYSIS OF THE LIKELY IMPACT OF THE BUYBACK ON THE COMPANY

- a) The objective of the Buyback is to (a) improve return on equity, by reduction in the equity base, thereby leading to long term increase in Shareholders' value; and (b) give an option to the Shareholders holding Equity Shares of the Company to either (i) participate and receive cash payments in lieu of Equity Shares to be accepted under the Buyback, or (ii) not participate and enjoy a resultant increase in their percentage shareholding in the Company, after the Buyback, without any additional investment. The Company believes that the Buyback is not likely to cause any material impact on the profitability/earnings of the Company except a reduction in the investment income, which the Company could have otherwise earned on the amount distributed towards Buyback.
- b) The Buyback is proposed, considering the accumulated surplus funds available with the Company, after considering the funds required for the future growth of the Company as envisaged by the Board of Directors.
- c) Consequent to the Buyback, the ratio of the aggregate of secured and unsecured debts owned by the Company after the Buyback will not be more than twice of the paid-up share capital and free reserves based on both audited standalone and consolidated financial statements of the Company.
- d) Pursuant to Regulation 16(ii) of the Buyback Regulations, the promoter and members of the promoter group and persons in control of the Company shall not participate under the Buyback. The Buyback of Equity Shares will not result in a change in control or otherwise affect the existing management structure of the Company.
- e) Consequent to the Buyback and based on the number of Equity Shares bought back from the shareholders excluding the promoter and the members of the promoter group of the Company and persons in control of the Company, the shareholding pattern of the Company would undergo a change. Pursuant to Regulation 16(ii) of the Buyback Regulations, the promoter and promoter group of the Company are not entitled to participate under the Buyback. The Buyback of Equity Shares will not result in a change in control or otherwise affect the existing management structure of the Company and will not result in the public shareholding falling below 25% of the total fully paid-up equity share capital of the Company.

- a) Pursuant to Sections 68, 69, 70 and 110, and all other applicable provisions, of the Companies Act and the rules made thereunder and Articles of Association of the Company, the Board at its meeting held on July 11, 2022 approved the proposal for the Buyback.

- e) By agreeing to participate in the Buyback, each eligible Shareholder (including each NR Shareholder) undertakes to complete all relevant regulatory/statutory filings and compliances to be made by it under applicable law, including filing of Form FC-TRS.
