Limited review report on unaudited quarterly consolidated financial results of Sterling and Wilson Solar Limited under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

**To the Board of Directors of
Sterling and Wilson Solar Limited**

1. We have reviewed the accompanying Statement of unaudited consolidated financial results of Sterling and Wilson Solar Limited ("the Parent") and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") for the quarter ended 30 June 2020 ("the Statement"), attached herewith, in which are incorporated returns from branches in Australia, Argentina, Chile, Dubai, Egypt, Indonesia, Jordan, Kenya, Mexico, Morocco, Namibia, Philippines, Vietnam and Zambia, being submitted by the Parent pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").
2. This Statement, which is the responsibility of the Parent's management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "*Interim Financial Reporting*" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the Listing Regulations, to the extent applicable.

4. The Statement includes results of the following entities:

5. Attention is drawn to the fact that the figures for the 3 months ended 31 March 2020 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

Basis for Qualified Conclusion

6. We draw attention to the following matters:

- (i) note 5 to the unaudited consolidated financial results relating to extension in repayment period of outstanding inter-corporate deposits of Rs 1,765.02 crores (including interest accrued thereon of Rs 173.56 crores) that were outstanding as on 30 September 2019 made to fellow subsidiaries by the Group from the 90 days period from the date of listing as stated in the Red Herring Prospectus dated 29 July 2019 for the purpose of Offer of Sale to public of the Parent's shares by the Selling Shareholders. The Group has received queries from SEBI, Registrar of Companies, Mumbai (ROC) and certain shareholders regarding matters connected with delay in facilitating repayment of inter-corporate deposits by the Selling Shareholders on which the Group has submitted its replies or is in the process thereof. Until the final conclusions are received from the regulators, we cannot ascertain the impact of non-compliance with laws and regulations, if any, by the Group. Although the Group has represented to us that, based on independent legal opinions obtained by it, it is of the view that there is no non-compliance with any laws and regulations by the Group in respect of this matter, in our opinion, there exists a possibility for a contrary view in the matter.

The Selling Shareholders have facilitated repayment of Rs 1,485.44 crores from the date of listing i.e. 20 August 2019 to 31 March 2020 as per the revised schedule approved by the Board of Directors.

Sterling and Wilson Solar Limited

Limited review report on unaudited quarterly consolidated financial results of Sterling and Wilson Solar Limited under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

Basis for Qualified Conclusion

As per the revised repayment schedule approved by the Board of Directors in 2019, instalment of Rs 500.00 crores was due in the quarter ended 30 June 2020 which had remained unpaid till 30 June 2020. The Group has received a payment of Rs 87.38 crores from 1 July 2020 to 15 September 2020 and the balance of inter-corporate deposits outstanding (including interest accrued upto 30 June 2020) as at 15 September 2020 aggregate to Rs 538.77 crores.

The Parent has obtained partial security and efforts are being made to obtain security for the remaining amount after obtaining necessary approvals and the repayment timelines have been extended till September 2021. In view of the steps taken/being taken by the Parent as discussed in the said note, management believes that no provision towards expected credit losses is required as at 30 June 2020. In our view, however, a provision for expected credit losses on the amounts overdue should be estimated by the management.

As a result of the above, we are unable to quantify the impact of the non-compliance with laws and regulations, if any, in particular for delay in the repayment of inter-corporate deposits in the earlier quarters and default in repayment of instalments due in the current quarter in the absence of final conclusions from the regulators in this regard; the uncertainty regarding the timing of repayment of outstanding inter-corporate deposits by the borrowers; and adjustments that may arise from the aforementioned matters including non-measurement of expected credit losses on inter-corporate deposits on the unaudited consolidated financial results of the Group for the quarter.

- (ii) the following qualification included in the review report on the unaudited consolidated financial results of Sterling and Wilson International Solar FZCO, an overseas subsidiary of the Parent, for the quarter ended 30 June 2020 issued by the independent auditors vide their report dated 15 September 2020 is reproduced by us as under:

The unaudited consolidated financial results of the overseas subsidiary of the Parent includes a loan due from a related party in the amount of AED 305,181,699 (net) equivalent to Rs 624.87 crores (net), which was repayable on demand. The overseas subsidiary has, during the current year, demanded that the loan to be repaid together with interest accrued and unpaid (up to date of repayment) no later than 30 September 2020. The Board of the overseas subsidiary has received a request from the ultimate promoters of the related party to extend the repayment timeline, in lieu of obtaining security to cover the amount outstanding and also levy penal interest. Considering the steps proposed to be taken by the overseas subsidiary, the management of the overseas subsidiary believes that no provision for expected credit losses is required as at 30 June 2020. In view of the uncertainty, we were unable to determine whether any adjustment on account of expected credit losses to the amount of loan due from the related party were necessary.

Certain of these branches and subsidiaries referred to above are located outside India whose interim financial information have been prepared in accordance with the accounting principles generally accepted in their respective countries and which have been reviewed by the branch auditors and other auditors under generally accepted auditing standards applicable in their respective countries. The Parent's management has converted the interim financial information of such branches and subsidiaries located outside India from the accounting principles generally accepted in their respective countries to the accounting principles generally accepted in India. Limited review report on unaudited quarterly standalone financial results of Sterling and Wilson Solar Limited under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

**To the Board of Directors of
Sterling and Wilson Solar Limited**

1. We have reviewed the accompanying Statement of unaudited standalone financial results of Sterling and Wilson Solar Limited ('the Company') for the quarter ended 30 June 2020 ('the Statement'), attached herewith, in which are incorporated returns from branches in Australia, Argentina, Chile, Dubai, Egypt, Indonesia, Jordan, Kenya, Mexico, Namibia, Philippines, Vietnam and Zambia.
2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Attention is drawn to the fact that the figures for the 3 months ended 31 March 2020 as reported in these financial results are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

Basis for Qualified Conclusion

5. We draw attention to note 4 to the unaudited standalone financial results relating to extension in repayment period of outstanding inter-corporate deposits of Rs 1,727.18 crores (including interest accrued thereon of Rs 170.82 crores) that were outstanding as on 30 September 2019 made to a fellow subsidiary by the Company from the 90 days period from the date of listing as stated in the Red Herring Prospectus dated 29 July 2019 for the purpose of Offer of Sale to public of the Company's shares by the Selling Shareholders. The Company has received queries from SEBI, Registrar of Companies, Mumbai (ROC) and certain shareholders regarding matters connected with delay in facilitating repayment of inter-corporate deposits by the Selling Shareholders on which the Company has submitted its replies or is in the process thereof. Until the final conclusions are received from the regulators, we cannot ascertain the impact of non-compliance with laws and regulations, if any, by the Company. Although the Company has represented to us that, based on independent legal opinions obtained by it, it is of the view that there is no non-compliance with any laws and regulations by the Company in respect of this matter, in our opinion, there exists a possibility for a contrary view in the matter.

Sterling and Wilson Solar Limited

Limited review report on unaudited quarterly standalone financial results of Sterling and Wilson Solar Limited under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

Basis for Qualified Conclusion (Continued)

The Selling Shareholders have facilitated repayment of Rs 1,457.62 crores from the date of listing i.e. 20 August 2019 to 31 March 2020 as per the revised schedule approved by the Board of Directors.

As per the revised repayment schedule approved by the Board of Directors in 2019, an instalment was due in the quarter ended 30 June 2020 which had remained unpaid till 30 June 2020. The Company has received a payment of Rs 87.38 crores from 1 July 2020 to 15 September 2020 and the balance of inter-corporate deposits outstanding (including interest accrued upto 30 June 2020) as at 15 September 2020 aggregate to Rs 526.89 crores.

The Company has obtained partial security and efforts are being made to obtain security for the remaining amount after obtaining necessary approvals and the repayment timelines have been extended till September 2021. In view of the steps taken/being taken by the Company as discussed in the said note, management believes that no provision towards expected credit losses is required as at 30 June 2020. In our view, however, a provision for expected credit losses on the amounts overdue should be estimated by the management.

As a result of the above, we are unable to quantify the impact of the non-compliance with laws and regulations, if any, in particular for delay in the repayment of inter-corporate deposits in the earlier quarters and default in repayment of instalments due in the current quarter in the absence of final conclusions from the regulators in this regard; the uncertainty regarding the timing of repayment of outstanding inter-corporate deposits by the borrowers; and adjustments that may arise from the aforementioned matters including non-measurement of expected credit losses on inter-corporate deposits on the unaudited standalone financial results of the Company for the quarter.

Qualified Conclusion

6. Based on our review conducted as above and based on the consideration of the review reports of the branch auditors referred to in paragraph 7 below, except for the effects of the matters described in the *Basis for Qualified Conclusion* section above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

Other Matters

7. We did not review the interim financial information of 13 branches included in the unaudited standalone financial results of the Company, whose interim financial information reflect total revenues (before consolidation adjustments) of Rs 188.71 crores, total net profit after tax (before consolidation adjustments) of Rs 27.28 crores and total comprehensive income (before consolidation adjustments) of Rs 19.25 crores for the quarter ended 30 June 2020, as considered in the unaudited standalone financial results of the Company. The interim financial information of these branches have been reviewed by the branch auditors whose reports have been furnished to us, and our conclusion in so far as it relates to the amounts and disclosures included in respect of these branches, is based solely on the report of such branch auditors and the procedures performed by us as stated in paragraph 3 above.

Sterling and Wilson Solar Limited

Limited review report on unaudited quarterly standalone financial results of Sterling and Wilson Solar Limited under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Continued)

Other Matters (Continued)

Certain of these branches referred to above are located outside India whose interim financial information have been prepared in accordance with the accounting principles generally accepted in their respective countries and which have been reviewed by the branch auditors under generally accepted auditing standards applicable in their respective countries. The Company's management has converted the interim financial information of such branches located outside India from the accounting principles generally accepted in their respective countries to the accounting principles generally accepted in India. We have reviewed these conversion adjustments made by the Company's management. Our conclusion in so far as it relates to the amounts and disclosures included in respect of these branches located outside India is based on the report of such branch auditors and the conversion adjustments prepared by the management of the Company and reviewed by us.

Our conclusion on the Statement is not modified in respect of the above matter.
